Thanks so much, Windy! You have such an inviting classroom, and your library area is phenomenal! WOW!

Hi Angela,

I have always enjoyed visiting your site. You have so many resources and great ideas! I am attaching some pictures of my classroom from the past 2 years. I hope you can use them.

Best wishes on NB! I worked on it last year with several other teachers at my school. It was definitely a learning experience for all of us!

Take Care,
Windy Alexander
